\$20 T-Shirt only

Ryan Xenakis Memorial Foundation

Ryan passed away at the age of 21 on January 15th, 2022. Ryan loved being around people, celebrating others, and sharing his infectious laugh with friends and strangers alike. Ryan cared deeply about helping people. Keeping Ryan's huge heart and spirit alive is the mission behind everything we do. This year we will be raising money for Addiction is Real and other organizations that support the heart Ryan had for others. Please join us for a day full of fun and laughs in honor of Ryan. Thank you for all of your support since January 15th 2022, we couldn't continue on without all of you surrounding us.

Food and drinks

Chicks on the Side has supported us with their food truck since our first tournament. We request that you support them during the event by making a purchase or a donation to the foundation. Both food and beverages are sold from this area during the event. Any alcohol consumed is for 21 or older participants.

Raffle available for all guests
